ORDER

New Delhi, the 20th June 1960

S.O. 1543.—In exercise of the powers conferred by section 21 of the Rehabilitation Finance Administration Act, 1948 (12 of 1948), the Central Government hereby orders that the Rehabilitation Finance Administration constituted under the said Act (hereinafter referred to as the Administration) shall be placed in liquidation at the close of business on the 30th day of June, 1960 (hereinafter referred to as the appointed time) and that such liquidation shall be given effect to in the manner specified in the following directions, namely:—

- (1) The Chief Administrator shall be in charge of the liquidation of the Administration as from the appointed time.
- (2) The Chief Administrator shall take into his custody or under his control all the property, effects and actionable claims to which the Administration is, or appears to be, entitled and all the property and effects of the Administration shall be deemed to be in his custody as from the appointed time.
- (3) The Chief Administrator shall, as expeditiously as possible, take necessary steps to meet the liabilities of the Administration.
- (4) As from the appointed time, all powers, including in particular the power to recover loans, and all duties, of the Administration shall, subject to such general or special directions as may have been, or may be, issued by the Central Government under section 19 of the said Act, be exercised and performed only by the Chief Administrator or by a person subordinate to the Administration duly authorised in this behalf:

Provided that nothing in the foregoing provision shall authorise the Chief Administrator to advance, after the appointed time, loans other than those sanctioned by the Administration, Chief Administrator, Deputy Chief Administrator or Assistant Chief Administrator, as the case may be, but not disbursed in whole or in part, before such time.

- (5) The Chief Administrator shall take necessary steps to discharge, with all convenient speed, officers and servants of the Administration, the retention of whose services is not, in his opinion, necessary.
- (6) The books of accounts kept by the Chief Administrator shall exhibit separately the accounts of the Administration during the period it is placed under liquidation and a separate record of all matters relating to its liquidation shall also be kept.
- (7) The Chief Administrator shall submit to the Central Government, with such explanations as he considers necessary, monthly reports indicating the progress of liquidation and in particular the extent to which the liabilities of the Administration have been met.
- (8) As soon as the liabilities of the Administration have been met, the Chief Administrator shall make a report of the fact to the Central Government which may thereupon, by order, declare that the Administration shall stand dissolved with effect from such date as may be specified in the order.

CENTRAL EXCISE

S.O. 1561.—In exercise of the powers conferred on me under Rule 233 of the Central Excise Rules, 1944, I hereby direct that manufacturers of Rayon or Art silk, cotton and silk fabrics who pay duty under the compounded levy procedure shall paint distinct number on each loom installed in their factory in serial order irrespective of the fact whether the loom is employed on the manufacture of any excisable fabrics or not and shall maintain a disposition chart for each such premises in the enclosed form 'A'.

2. Entries in the loom disposition chart in form A should be made immediately on the commencement of a shift and within (30) thirty minutes of starting of any loom on any variety of fabrics. The entries should be made in ink.

3. The following abbreviations shall be adopted for indicating in the loom disposition chart the varieties of fabrics manufactured,

- (i) Rayon or Art silk fabrics
- (ii) Cotton fabrics
- (iii) Silk fabrics
- (iv) Exempted fabrics
- (v) Non-excisable fabrics
- (vi) Idle looms

4. Where manufacturers produce Art Silk, cotton and Silk fabrics it is not necessary to maintain a separate loom disposition chart for each of the fabrics.

5. At the end of each shift the total number of looms employed for each variety of fabrics and the number of looms kept idle shall be clearly indicated in the loom disposition chart.

6. The chart shall be kept in the Weaving Shed and shall be made available as and when demanded by any officer of this Department.

7. Manufacturers who are already maintaining their own accounts furnishing similar information should apply to the Superintendent of Central Excise in whose jurisdiction their factory is located for exemption from maintaining the loom disposition chart.

This supersedes the instructions issued in this office Notification No. 10/59 dated 9th October 1959.

MINISTRY OF LABOUR AND EMPLOYMENT

New Delhi, the 15th June 1960

S.O. 1591.—The following draft of certain further amendments to the Indian Dock Labourers Regulations, 1948, which it is proposed to make in exercise of the powers conferred by section 5 of the Indian Dock Labourers Act, 1934 (19 of 1934), is published, as required by section 7 of the said Act, for the information of all persons likely to be affected thereby and notice is hereby given that the draft will be taken into consideration on or after the 25th July, 1960.

Any objection or suggestion which may be received from any person with respect to the said draft before the date specified will be considered by the Central Government.

Draft Amendments

1. These Regulations may be called the Indian Dock Labourers (Amendment) Regulations, 1960.

2. After regulation 23 of the Indian Dock Labourers Regulation, 1948, hereinafter referred to as the said regulations, the following regulation shall be inserted namely:—

"23-A-Space around a hatch.—

Where the working space around a hatch is less than two feet wide, such provisions shall be made as will enable the workers to remove or replace in safety all fore and aft beams and thwart-ship beams used for hatch covering and all hatch coverings."

3. In regulation 27 of the said regulations—

(1) for sub-regulation (1), the following shall be substituted, namely:—

(1) All lifting machinery—

(a) including all parts and accessory gear, whether fixed or moveable together with anchoring and fixing appliances shall be

(i) of good construction, sound material, adequate strength and free from patent defect; and

- (ii) maintained in good repair and working order;
- (b) shall have been tested and examined by a competent person in the manner set out in Schedule II before taken into use.”;
- (2) in sub-regulation (4) the figure and brackets “(4)” shall be omitted;
4. In regulation 29 of the said regulations—
 - (i) for the marginal heading “Other loose gear” the marginal heading “Loose gear” shall be substituted.
 - (ii) for sub-regulation (1), the following shall be substituted, namely:—

“(1) No chain, ring, hook, shackle, swivel or pulley block shall be used in hoisting or lowering unless—

 - (a) it is of good construction, sound material adequate strength and free from patent defect; and
 - (b) it has been tested and examined by a competent person in the manner set out in Schedule II.”
5. After regulation 29 of the said regulations the following regulation shall be inserted namely:—

“29-A-Lifting appliances: Buckets, tubs, trays, baskets and similar lifting appliances used in hoisting or lowering shall be—

 - (a) of good construction, sound material, adequate strength and free from patent defect; and
 - (b) maintained in good repair and working order.”
6. In regulation 31 of the said regulations for clause (c) the following clause shall be substituted, namely:—

“(c) the examinations mentioned in regulation 28 unless the certificate mentioned in regulation 32(3) has been attached to the register in Form II; and”;
7. In regulation 32 of the said regulations—
 - (i) in sub-regulation (1) for the word “prepared” the word “obtained” shall be substituted;
 - (ii) for sub-regulations (2) and (3) the following sub-regulations shall be substituted namely:—
 - “(2) Certificates of the annealing of chains, etc., under regulation 29(2) in Form VII shall be obtained and entered in, or attached to, the Register in Form II.
 - (3) Certificates of the annual thorough examination of the gear mentioned in regulation 28 in Form VIII shall be obtained and attached to the register in Form II unless the required particulars have been entered in that register.”;
8. In regulation 33 of the said regulations, in clause (a) for the word “premises” the words “premises or ship, as the case may be” shall be substituted;
9. In regulation 42 of the said regulations for the word “gangway” the words “deck, gangways” shall be substituted;
10. In regulation 46 of the said regulations in sub-regulation (1) for the words “No lifting machinery, chains or other lifting appliance shall be loaded beyond the safe working load” the words “No lifting machinery, chain, ring, hook, shackle, swivel, pulley block, rope or other lifting appliance shall be used in such a manner as to, involve risk to life, or subject it to a stress greater than that caused by the safe working load” shall be substituted;
11. In regulation 48 of the said Regulations in clause (a) for the figures “11” the figures “16” shall be substituted;
12. In regulation 50 of the said Regulations in sub-regulation (3), the words “All fore and aft beams and thwartship beams and” shall be inserted at the beginning.

13. For the existing Form III, in the said Regulations, the following shall be substituted, namely:—

“Form III

Test Certificate No. _____

THE INDIAN DOCK LABOURERS REGULATIONS, 1948

REGULATION 27(1)

Certificate of Test and Examination of Winches, Derricks and their Accessory Gear, before being taken into use.

Name of ship, dock, wharf or _____ quay
where machinery is fitted _____

Situation and Description of Machinery and Gear with distinguishing num- ber of mark (if any)	Angle to the horizon- tal of derrick boom while the load was applied	Proof load applied	Safe working load at the angle shown above col. 2
(1)	(2)	(3)	(4)
	Degrees	Tons	Tons

5. Name & address of public service, association _____ company
or firm making the test and examination _____

6. Name and position of signatory in public _____ service, asso-
ciation, company or firm _____

I certify that on the day of 19 .., the above machinery together with its accessory gear, was tested in the manner set forth overleaf, that a careful examination of the said machinery and gear after the test showed that it had withstood the proof load without injury or permanent deformation; and that the safe working load of the said machinery and gear is as shown in column 4.

Signature of the Competent _____ Date person (see Note 3)

NOTES

1. Column (1) Sufficient particulars must be given to identify the gear, for example, in the case of a winch or derrick, the number of the hold, etc., should be shown.

2. Column (2) As a rule, a derrick should be tested at an angle which should not be more than 15 degrees to the horizontal or when this is impracticable, at the lowest practicable angle.

3. “Competent person” means an official of a workshop in India approved for any of the specified purposes in respect of testing, examination annealing or certification of plant, lifting machinery or gear by the Central Government or by an authority nominated by the Central Government in that behalf, and any other person who is recognised as a ‘competent person’ for the purpose of the national regulations in force in other countries for the implementation of the Protection against Accidents (Dockers) Convention (Revised), 1932, adopted by the International Labour Conference.

INSTRUCTIONS

1. (i) Every winch with the whole of the gear accessory thereto (including derricks, goose-necks, eye-plates, eye-bolts or other attachments) shall be tested with a proof load which shall exceed the safe working load as follows:—

Safe Working Load	Proof Load
Up to 20 tons	25 per cent in excess
20 to 50 tons	5 tons in excess
Over 50 tons	10 per cent in excess

The proof load shall be applied either (1) by hoisting movable weights or (ii) by means of a spring or hydraulic balance or similar appliance, with the derrick at an angle to the horizontal which shall be stated in the certificate of the test. In the former case, after the movable weights have been hoisted, the derrick shall be swung as far as possible in both directions. In the latter case, the proof load shall be applied with the derrick swung as far as practicable first in one direction and then in the other.

(ii) After being tested, as aforesaid all machinery with the whole of the gear accessory thereto shall be examined to see whether any part has been injured or permanently deformed by the test.

2. The test and examination must be made by a competent person.

3. The safe working load shown in column 4 is applicable only to a swinging derrick. When using fixed derricks, such as "union purchase" rigs, the safe working load should as a general rule, be reduced; in any case, it should be determined with due regard to the actual conditions of use.

4. In the case of heavy derricks, care should be taken that the appropriate shrouds and stays are rigged.

NOTE:—The expression "ton" means a ton of 1,000 kg. or 2,200 lb.";

14. For the existing Form IV, in the said regulations the following shall be substituted, namely:—

"Form IV

5. Name and address of public service, association, company or firm making the test and examination.....

6. Name and position of signatory in public service, association, company or firm.....

I certify that on the.....day of.....19 , the above machinery together with its accessory gear, was tested in the manner set forth overleaf; that a careful examination of the said machinery and gear after the test showed that it had withstood the proof load without injury or permanent deformation; and that the safe working load of the said machinery and gear is as shown in column 4.

Signature of the competent.....
person (see note 3)

Date.....

NOTES

1. Column (1) Sufficient particulars must be given to identify the crane or hoist.

2. Column (2) If the jib has a variable radius, proof loads must be applied at the maximum and minimum radii.

3. "Competent person" means an official of a workshop in India approved for any of the specified purposes in respect of testing, examination, annealing or certification of plant lifting machinery or gear by the Central Government or by an authority nominated by the Central Government in that behalf, and any other person who is recognised as a 'competent person' for the purposes of the national regulations in force in other countries for the implementation of the Protection against Accidents (Dockers) Convention (Revised), 1932, adopted by the International Labour Conference.

INSTRUCTIONS

1. (i) Every crane and other hoisting machine with its accessory gear shall be tested with a proof load which shall exceed the safe working load as follows:

Safe Working Load	Proof Load
Upto 20 tons	25 per cent in excess.
20 to 50 tons	5 tons in excess.
Over 50 tons	10 percent in excess.

The said proof load shall be hoisted and swung as far as possible in both directions. In the case of jib cranes, if the jib of the crane has a variable radius, it shall be tested with a proof load as defined above at the maximum and minimum radii of the jib. In the case of hydraulic cranes or hoists, where owing to the limitation of pressure it is impossible to hoist a load 25 per cent in excess of the safe working load, it shall be sufficient to hoist the greatest possible load.

(ii) After being tested, each crane or hoist with the whole of the gear accessory thereto shall be examined to see whether any part has been injured or permanently deformed by the test.

2. The test and examination must be made by a competent person.

NOTE.—The expression "ton" means a ton of 1,000 kg or 2,200 lb.;"

15. For the existing Form V, in the said regulations the following shall be substituted namely:—

NOTES

1. Column (2): The dimensions of the gear, the type of material of which it is made and where applicable the heat treatment received in manufacture should be stated (unless Form No. VII is used for the purpose).

2. “Competent person” means an official of a workshop in India approved for any of the specified purposes in respect of testing examination, annealing or certification of plant, lifting machinery or gear by the Central Government or by an authority nominated by the Central Government in that behalf, and any other person who is recognised as a ‘competent person’ for the purposes of the National regulations in force in other countries for the implementation for the protection against Accidents (Dockers) Convention (Revised), 1932 adopted by the International Labour Conference.

INSTRUCTIONS

1. (i) Every article or loose gear (whether it is accessory to a machine or not) shall be tested with a proof load at least equal to that shown against the article in the following table:—

Article of Gear	Proof Load
Chain, Ring, Hook, Shackle or Swivel.	Twice the safe work load.
Single Sheave Pulley Block.	Four times the safe working load.
Multiple sheave Block with safe working load up to and including 20 tons.	Twice the safe working load.
Multiple Sheave Block with safe working load over 20 tons upto and including 40 tons.	20 tons in excess of the safe working load.
Multiple Sheave Block with safe working load over 40 tons.	One and a half times the safe working load.
Pitched Chains used with hand operated Pulley Blocks, and Rings, Hooks shackles or Swivels permanently attached thereto.	One and a half times
Hand operated Pulley Blocks used with pitched Chains and Rings, Hooks, Shackles or Swivels permanently attached thereto.	The safe working load.

(ii) After being tested, all the gear shall be examined, the sheaves and the pins of the pulley blocks being removed for the purposes, to see whether any part has been injured or permanently deformed by the test.

2. The test and examination must be made by a competent person.

NOTE.—The expression “ton” means a ton of 1,000 kg. or 2,200 lb.”

I.D. No. 69 of 1960

BETWEEN

The employer in relation to the Central Dholpur Stone Company, P.O. Barauli
(Via Dholpur, C. Rly.).

AND

Its workmen.

Shri K. P. Singh, *for the management.*

Shri Kishan Gopal with Shri Habib Khan, *for the workmen.*

AWARD

By G.O. No. 23/30/59-LR II, dated the 17th March, 1960, the industrial dispute, between the employer in relation to the Central Dholpur Stone Company, P.O. Barauli (Via Dholpur, C. Rly.), and its workmen, has been referred to this Tribunal for adjudication under sections 10(1)(d) and 12(5) of the Industrial Disputes Act, 1947.

2. The terms of reference are as follows:—

(1) Re-instatement of the following workmen with back wages:

(i) Shri Hardayal.	Salesman.
(ii) Shri Kishan Gopal	Quarry Incharge.
(iii) Shri Habib Khan	Quarry Incharge.
(iv) Shri Hamid Ali	Driver.
(v) Shri Mohd. Saif	Driver.
(vi) Shri Mohd. Shakur	Driver.
(vii) Shri Sugan Lal	Cleaner.
(viii) Shri Abdullah Khan	Cleaner.
(ix) Shri Hiralal	Mistry.
(x) Shri Hardayal Sharma	Quarry Mate.

(2) Re-transfer of Shri Gulmir Khan, Quarry Incharge from Mundpur to Pipalwali Quarry.

(3) Increase in wages.

(4) Bonus.

(5) Payment of allowance in case of sickness.

(6) Medical aid.

(7) Conveyance facilities.

3. This is a dispute between the employers in relation to Messrs Dholpur Stone Company, Barauli, and their workmen.

4. The demands of the workmen are contained in the report of the Deputy Chief Labour Commissioner dated 18th February, 1960, and the various items of reference also indicate the points at issue between the parties.

5. On 20th April, 1960 both parties filed a compromise Ext. M I dated 20th April, 1960, and the said compromise is in the following terms:—

“The parties to the above dispute submit as under:—

1. That the parties have naturally arrived at an amicable settlement, and the workmen do not press the demands referred to the Hon'ble Industrial Tribunal, Delhi for adjudication.

It is, therefore, prayed that the Hon'ble Industrial Tribunal may be pleased to give the Award Accordingly.

Dated, the 20th April, 1960.

For & On behalf of the Workmen.

For & On behalf of the Management.

1. Sd/- KRISHAN GOPAL in Hindi, Sd/- K. P. SINGH, Assistant Manager.
President, Rashtrya Khan Mazdoor Sangh.

2. Sd/- HABIB KHAN in Hindi, Vice-
President, Rashtrya Khan Mazdoor Sangh.

Witness:

1. Sd/- L. D. Adlakha, B.Sc., LL.M., Advocate, Delhi.

2. Sd/- Zafar Khan (in Hindi), Cashier, Rashtrya Khan Mazdoor Sangh.

3. Sd/- Mohd. Shakoor, Executive Member of Rashtrya Khan Mazdoor Sangh."

6. However, later in the day a letter was received at about 3 P.M., from the Secretary, Rashtrya Khan Mazdoor Sangh, Sirmathura, stating, that a claim statement was being filed on behalf of the workmen. The claim statement, that accompanied the letter, Ext. W/2, is Ext. W/3.

7. It will be seen from Ext. W/3, that therein the workmen press their several claims, which are the subject-matter of reference, and the claim statement is not in accordance with Ext. M/1.

8. Notice was issued to both parties, in view of Exts. W/2 and 3. The workmen filed Ext. M/2 on 12th May, 1960. It is alleged therein, that a settlement had been arrived at between the management and the representatives of the workmen, which had been filed in Court on 20th April, 1960; that the President of the Union, and other signatories to the settlement had full authority to enter into the same, that the workmen again certified the said settlement of 20th April, 1960, that the Secretary of the Union was never authorised to represent the workmen in the dispute, that he was not authorised to file any written statement of claim on behalf of the workmen, that the Secretary of the Union had filed the claim statement without authority, and without knowledge of the workmen, that the claim statement filed by the Secretary (Ext. W/3) must be ignored, and that an award should be passed in terms of the settlement on 20th April, 1960, i.e. Ext. M/1. This bears the signature of the Executive Members of the Working Committee except the Secretary, and includes the signatures of the President, Vice-President, Cashier, Assistant Secretary and Executive Committee Member. Ext. M/3 is a communication addressed to this Court, sent on behalf of the workmen of the Company. It purports to be executed by a number of workmen of the Company, and contains their thumb impressions. It is asserted therein, that the workmen had no dispute with the Company, that the Secretary had no authority to represent them, or to take any proceeding on their behalf, and that any documents, filed by him, should not be taken into account. In support of the workmen's case, we have the evidence of some of the workmen. Shri Kishan Gopal, WW1, is the President of the Rashtrya Khan Mazdoor Sangh. He admits the compromise Ext. M/1, and says, that he has signed it. This is the compromise entered into with the management. The Secretary is not authorised to represent the employees. He is not an employee. He further deposes, that the workmen want an award in terms of the compromise, and that the workmen do not press their demands. He also admits, that Ext. M/2 is signed by him. His further evidence is, that Ext. M/3 is executed by almost all the workmen, WW2 is Shri Habib Khan, who is the Vice-President of the Union, and is also an employee of the Mins. He also proves Exts. M/1 and 2, and has given evidence, that almost all the workmen had executed Exts. M/1 and 3. The signatures and thumb impressions were taken at a meeting of the employees. The Secretary is not a workman, and he has no authority to represent the workmen. This witness also stated, that the Secretary had no authority to file the statement of claim, and that an award should be passed in terms of the compromise. From the evidence, above referred to, it is clear, that almost all the workmen of the Mins have entered into a compromise with the management according to which they do not press their demands in this proceeding.

9. However, the Secretary, Shri Chiranji Lal, who appeared in person, produced Ext. W/1, as the resolution, authorising him to represent the workers. This is however dated 1st May, 1960, and Exts. M/2 and 3 are subsequent thereto.

When his attention is drawn to Exts. M/2 and 3, Shri Chiranjilal says, that they might have been executed by the workmen. He himself is not a workman of the Company. In cross-examination of this witness by Shri Habib Khan, he said, that he did not know, if the President and others settled the dispute later, and Shri Habib Khan and others gave statements in this Court.

10. On the evidence it cannot be held, that the Secretary, who is not a workman of the Mines, had any authority to represent the workmen, or to file the statement of claim. On the contrary, the workmen of the Mines, by their President, Vice-President, and other office bearers, and members of the Executive Committee, have entered into a compromise with the management in terms of the settlement, filed on 20th April, 1960, i.e. Ext. M/1, and this has been confirmed by almost all the workmen, as proved by Ext. M/3. The resolution, relied upon on behalf of the Secretary, Ext. W/1, does not lead to a contrary conclusion, in view of Exts. M/2 and 3, which are later in point of time, and in view of the evidence of WWS 1 and 2. I find, that in this proceeding, the workmen have entered into a settlement with the management in terms of Ext. M/1, that this has been confirmed by almost all the workmen, as proved by Ext. M/3, that the Secretary has no authority to file the statement of claim, or to represent the workmen, or to take part in this proceeding, and that an award should be passed in terms of Ext. M/1, the compromise, as prayed for by the workmen in Ext. M/2, and as deposed to by the witnesses WWS 1 and 2.

11. In the result, an award is passed in terms of the compromise, Ext. M/1, as set out above.
